Tornado Shelters

Tornado Shelters have been ordered!
The Events Committee has been raising funds from the Paddle Poker Run the last few years to put up a tornado shelter at the lake. This goal has been accomplished. Two shelters have been ordered and will be installed at the lake in early May.

In the past the funds from the events committee have paid for handicap restroom at the swim beach, new swim ropes, part of the cost of picnic tables at the carousel and now the tornado shelters. Our next goal is helping with playground equipment.

If you have any suggestions on items for funds to be used for please let us know.
